Here We Go!

Here we go! We are entering a busy time here at the church. There are many activities and events scheduled over the next few months.

It starts a week from today with our Vacation Bible School. It is going to be July 16-20, 6-8:15pm. This year's theme is WaterWorks Park! Invite all the children you know from the ages of 4 to 12 to come. There will be lessons about how children can come to know Jesus and grow in Him. We are anticipating a wonderful week of ministry. There are still available slots for workers if you are interested.

That will be followed on July 22nd with our Outdoor service and Family Fun Day. Our

service will begin at the regular start time of 10:15am, but it will be out on the front lawn under a tent. Following

the service we will join together for a barbeque picnic and then there will be fun and games for all ages. There will be games, an inflatable bounce house and it is rumored that there might be a dunk tank. Invite your friends, family, co-workers, and neighbors as we reach out to our community.

Sunday School will be taking back off in September. We need workers and participants.

We also have our Missionary Conference scheduled for September 27-October 2. Our missionary this year is Steve Lovell from Russia. We are planning an exciting and fun conference as we learn what God is doing in Russia.

Richard Deal will be with us on October 21st. Some of you know Richard from his previous visits to Orchard View. Richard is a concert pianist who uses his talent to glorify God. He plays a variety of hymns, worship songs with scripture and comments. He will be performing during our morning worship service at 10:15 am.

Josh McDowell Coming to Rock County!

Josh McDowell, nationally known speaker and apologist, is coming for two events this fall. He will be speaking on September 8th at Beloit Memorial High School auditorium. He will be there with

House of Heroes (a musical group) and will be speaking to the youth of Rock County.

On October 4th he will be speaking to parents and adults at Central Christian Church in

Beloit about how to teach our young people about truth.

There will be more information coming in the next few weeks about these meetings.
